Getting Around Key West

Now that you're in Key West, you probably don't need a car. Parking is challenging and expensive. After a night of drinking on Duval, you definitely don't want to drive anything. Even riding a bicycle while intoxicated will get you a DUI.

If you are lucky enough to be staying in old town, walking is your best bet.

For short trips, try a pedicab. They are a unique way to get around and your partner will give you bonus points for the romantic ride home.

Taxis are just a phone call away and arrive within minutes. Any bartender will call one for you.

Scooters and bicycles are inexpensive to rent and can be a fun way to see the island. Please ask for proper training and information about local laws. Scooters may be parked at designated motorcycle spaces and there are bicycle stands all over. If you forget to lock up your bike, you won't see it again.

Electric cars are fun to explore but still require a standard car parking spot. Electric cars are not permitted on North or South Roosevelt Blvd.

Don't drink and drive. You might spill your drink.

Brown Breeze in the Palm Trees

Gassy Winds comes to Key West

My most recent incarceration for identity theft -- I should have never tried to pass myself off as a 83 year-old legless black woman -- warranted my Publisher's assistance in interviewing Gassy Winds.

Since Gassy's fragrant arrival in Key West after subletting her Manhattan apartment, she's commandeered the weekend barbecues at Bourbon Street Pub, 724 Duval, with a bark reminiscent of Harvey Fierstein. (She also brings this longshoreman charm to performances at the 801 Cabaret on Monday nights.)

To ready herself for the Saturday and Sunday Garden bar meat-eaters, Gassy wedges an hourglass figure whose sand has shifted into a housecoat Lilly Pulitzer has nightmares about. She dons glasses so oversized you could weld wearing them and rouges her cheeks with her fists. Beads that redefine cheap plastic trail down into her cleavage. Feel-had earrings that appear molded from Melmac hang as heavy as her tits. Ever-present curlers ready her bangs for, presumably, a date with Uncle Fester.

Yep, that Gassy's classy, a gal after my own fart.

My questions were posed as Gassy formed patties for a meat-hungry crowd -- videotaped and dispatched by my Publisher back to me for review. I didn't finger myself while transcribing, so it doesn't count as websex, but seeing her bowling-pin silhouette dash from smoky grill to fanning out sliced onions and belching "Hot meat!" did brighten my solitary confinement.

With a name like Gassy Winds, wordplay flows like an irritable bowel. Gassy, aka J.B. McLendon, commences our Q&A by complimenting my E-mailed illiteracy; I remain hopeful she meant alliteration.

I've always lived by the "He Who Smells It Dealt It." So how Gassy are you? Do curtains billow when you passy from your assy?

At 50 yards, Angie.

You blow, girl! Is that an adult diaper under your tattered nightgown?

It's a colostomy bag. There's a full tank, and the backup tank. I don't want to get any anal leakage on anybody. It can get messy.

So what ill wind blew you Southernmost from Manhattan?

Life in NYC is as good as it gets: 15 years in the best neighborhood (Hell's Kitchen), doing something different and creative everyday (as long as there's a paycheck and a contract), great friends, loving family. But that girl Porsche with the 1,000 voices – it's really only 998, but you didn't hear that from me -- said Key West would be a breath of fresh air for Gassy. Even Mums is now equally a Key West staple.

So in what crapper did life begin?

Gassy was born and bred in Cherry Grove, Fire Island, New York. I have a half-sister, Gusty Winds, but Doogie Howser did the inconclusive DNA. We have the same father but different Mothers.

The fat kid inside me, JB, comes from the capital city of Maryland, Annapolis – a state they'll never let me back into if this interview hits the major press.

Does The Gay Rag count?

(pauses) Won't be a problem.

What's the J.B. stand for?

I never give that away on the first date, Angie.

You on the run, so to speak?

It just adds to the mystery that is me.

I suppose your age remains a mystery, too?

I am old enough to know not to answer that question, but still young enough to sire children.

Where did you earn your BM?

I got sent up North to Syracuse University. It's colder. You don't pass as much gas there.

Was your degree in Outlandish Make-Up? Your application of cosmetics is, umh, striking.

I go to CVS and use all the wetnwild samples as fast as I can. That way, I don't have to shoplift.

But about those rollers...what exactly are you "getting all dolled up" for? Do you ever look sassy, Gassy?

I am not just here to cook, Angie. Gassy needs a man I need to be my best to compete with all of the Paris Hilton wannabes sluts. And I am never seen without my needlepoint handbag with a One Human Family sticker.

You're quite nimble with wieners, splitting buns and dispensing condom-ents. Share your barbecue technique.

It's simple. You copy a few Rachael Ray recipes off of the Internet, throw on some frozen meat and the cheap bastards around here will pay anything for a three dollar burger. The way to a gay, str8, bi or transsexual man's heart is through his stomach.

You've also joined the 801 Cabaret lassies, Gassy. Is that dressing room large enough to hold your cloudy colon? Will management be forced to vent your asshole out, like a dryer?

Gassy's Massive Maven Mondays, at 11 PM, is a smorgasbord of big girl talent, including Marilyn Daniels, Smyrna Empezema, B.J Safari, RV Beaumont and myself. Being a New York City/Maryland girl, it will always be a little bit country and a little bit Broadway. That's 5 fat asses on that stage, which, if they don't reinforce, we're gonna go right through and into the cage at Saloon One. That's what they need to worry about...not how I smell.

How long will your tushie trumpet be squatting on The Rock?

We had baby back ribs today and there were no calls from the Health Dept., so Key West is stuck with me at least until it gets too hot to wear this fucking fat pad.

So would you and your bartone bowels be willing to stand alongside my shanty during Hurricane season and serve as my generator, Gassy?

If there's an unlimited supply of Wild Turkey, I am so there.

Aquarius

Jan 20 – Feb 18

You are a pioneer type and think that most people are dickheads. You are quick to reprimand, impatient and full of advice. You do nothing but piss off everyone you come in contact with. You are a prick.

Pisces

Feb 19 – Mar 20

This is a good month to make new friendships and get those little things at the home done that just weren't a top priority. Be creative and make some invitations for a housecleaning party. Hand them out to any new people you meet.

Aries

Mar 21 – Apr 19

You have a wild imagination and often think that you are being followed by the C. A. You have minor influence on your friends. People resent you for flaunting your power. You tend to lack confidence and you are a general dipshit.

Taurus

Apr 20 – May 20

You are a fuck and intelligent thinker. People think that this is because you are bisexual. You are inclined to expect too much for too little. This means you are just a cheap bastard.

Gemini

May 21 – Jun 20

You are sympathetic and understanding of other people's problems. This makes you a sucker. You'll probably never be worth a shit.

Cancer

Jun 21 – Jul 22

You consider yourself a born leader. Others simply think you are a self centered idiot.

Leo

Jul 23 – Aug 22

You are so ugly that the only hot meat that you will get will be at the Bourbon Street Pub at Gassy's BDD.

Virgo

Aug 23 – Sep 22

You are the logical type and hate disorder. Your nit picky attitude is sickening to friends and co workers. You are cold and unemotional, and often fall asleep while fucking.

Libra

Sep 23 – Oct 22

You are practical and persistent. You have a dogged determination and work like hell. Most people think that you are stubborn and bull headed.

Scorpio

Oct 23 – Nov 21

You are conservative and afraid of taking risks. You are basically a chicken shit. No one of your sign has ever achieved any importance.

Sagittarius

Nov 22 – Dec 21

You are optimistic and enthusiastic. You have a reckless tendency to rely on luck since you have no talent.

Capricorn

Dec 22 – Jan 19

Nothing will happen for you this month of any interest at all. You need to find a hobby. Otherwise, consider suicide.
