Welcome to Paradise!

RY was searching the meat rack in Fire Island for an explanation of where the name Fire Island came from. She thought she had found a fire bush but she actually found head. Daniel Head! (That's his real name.)

Check out many of the Fire Island pictures in this issue.

Getting Around Key West

Now that you're in Key West, you probably don't need a car. Parking is challenging and expensive. After a night of drinking on Duval, you definitely don't want to drive anything. Even riding a bicycle while intoxicated will get you a DUI.

If you are lucky enough to be staying in old town, walking is your best bet.

For short trips, try a pedicab. They are a unique way to get around and your partner will give you bonus points for the romantic ride home.

Taxis are just a phone call away and arrive within minutes. Any bartender will call one for you.

Scooters and bicycles are inexpensive to rent and can be a fun way to see the island. Please ask for proper training and information about local laws. Scooters may be parked at designated motorcycle spaces and there are bicycle stands all over. If you forget to lock up your bike, you won't see it again.

Electric cars are fun to explore but still require a standard car parking spot. Electric cars are not permitted on North or South Roosevelt Blvd.

Don't drink and drive. You might spill your drink.

Aquarius

Jan 20 – Feb 18

You ask yourself if your current bad luck with sex is going to continue? Did Rose Kennedy own a black dress?

Pisces

Feb 19 – Mar 20

Your unusual fetishes will reach a climax when during this month, you will marry a television antenna. The stars foretell that the wedding will be awful but the reception will be fantastic.

Aries

Mar 21 – Apr 19

This month's suggested movie for you is a documentary about Bill Clinton - "Willies Wonka & the Cigar Factory."

Taurus

Apr 20 – May 20

In your search for eternal truths, you will determine that sex and air are very much alike. Neither one is a big deal unless you're not getting any.

Gemini

May 21 – Jun 20

Your aim should be to create your own zoo. The stars suggest a Jaguar in your garage, a mink in your closet, a tiger in your bedroom, and a jackass to pay for it all.

Cancer

Jun 21 – Jul 22

Finally, Governor Schwarzenegger will announce why he married Maria Shriver. They were trying to breed a bullet proof Kennedy.

Leo

Jul 23 – Aug 22

You will ponder becoming a Catholic priest this month. Be warned though, that as a priest you would be just like a Christmas tree - your balls would be just for decoration.

Virgo

Aug 23 – Sep 22

Your dyslexia will affect your ability to become a devil worshiper. No good will come of trying to sell your soul to Santa.

Libra

Sep 23 – Oct 22

Your sex life will continue its back-slide this month. The only worthwhile use of Viagra will be to stop you from rolling out of bed.

Scorpio

Oct 23 – Nov 21

You need to start appreciating bacteria. After all, it's the only culture you have.

Sagittarius

Nov 22 – Dec 21

Take a political stand this month! Wear short sleeves. Support our right to bare arms!

Capricorn

Dec 22 – Jan 19

In an attempt to relive your younger, wilder days, you will try snorting coke. All you will likely achieve is getting an ice cube stuck in your nose.
