Key West Beaches

Key West is basically one giant rock so the beaches are not the best you will find. However, sand is trucked in to make for a beautiful sandy beach.

Higgs Beach - Located along Atlantic Ave, with a restaurant on site.

Smathers Beach - Located along South Roosevelt Blvd, There are many street vendors selling food and renting almost anything you will need while you're at the beach.

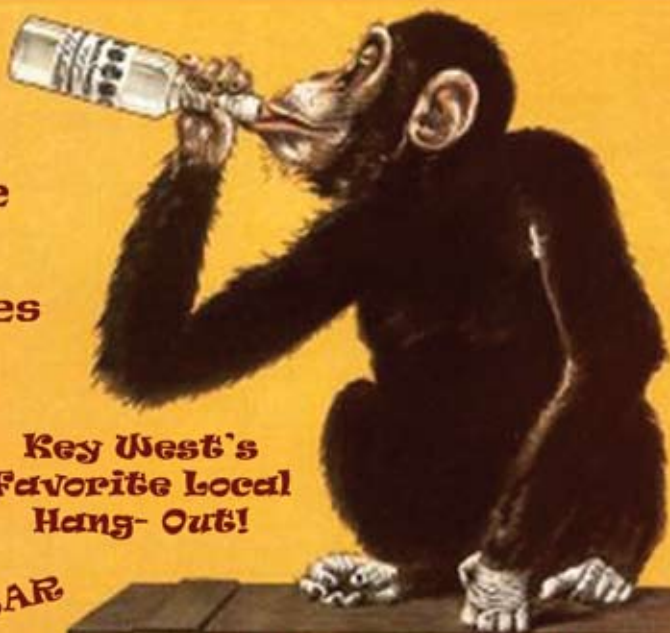

Fort Zachary Taylor - Somewhat off the beaten path, this beach is a little quieter than the rest. Take Southard Street and enter Truman Annex. Follow the signs to the beach.

Boca Chica Beach - Located at mile marker 11, this clothing optional beach can also be very cruisy

Getting Around Key West

Now that you're in Key West, you probably don't need a car. Parking is challenging and expensive. After a night of drinking on Duval, you definitely don't want to drive anything. Even riding a bicycle while intoxicated will get you a DUI.

If you are lucky enough to be staying in old town, walking is your best bet.

For short trips, try a pedicab. They are a unique way to get around and your partner will give you bonus points for the romantic ride home.

Taxis are just a phone call away and arrive within minutes. Any bartender will call one for you.

Scooters and bicycles are inexpensive to rent and can be a fun way to see the island. Please ask for proper training and information about local laws. Scooters may be parked at designated motorcycle spaces and there are bicycle stands all over. If you forget to lock up your bike, you won't see it again.

Electric cars are fun to explore but still require a standard car parking spot. Electric cars are not permitted on North or South Roosevelt Blvd.

If you must drink and drive, drink soda!

Whore--Scopes

Aquarius

Jan 20 – Feb 18

You have finally discovered that alcohol is the answer. This month should be spent determining what the question was.

Pisces

Feb 19 – Mar 20

Around the 14th of this month, you will find a really big piece of lint in your pocket. That is about the extent of your excitement for this month.

Aries

Mar 21 – Apr 19

This month you will capitalize on the success of SPAM by inventing SPEEF. Unfortunately, you would have been much better off trying to make SPICKEN, instead.

Taurus

Apr 20 – May 20

A new love affair will have you misty eyed. Either that, or it's the onset of glaucoma, in which case you should seek immediate medical attention.

Gemini

May 21 – Jun 20

For most of this month old Neil Diamond songs will circle endlessly in your mind. I recommend screaming and pounding your head on the table.

Cancer

Jun 21 – Jul 22

You're too damn stubborn. Give in and finally do that laundry that you've been putting off since April. You'll never find a date if you smell like a Key West beach at low tide.

Leo

Jul 23 – Aug 22

You'll make a furry new friend this month when you find a stray animal. Though it could become a lifelong friend, all that feeding and nurturing gets expensive. Don't touch that nasty kitty; it's just a self-loving money pit.

Virgo

Aug 23 – Sep 22

You've had a roller coaster of a month so far, so there's only one thing to do. Buy something really expensive. You just bought something expensive?? Spoiled ass. You're just as bad as those Libras!

Libra

Sep 23 – Oct 22

Do something different on the second weekend of this month. Don't drink at all, and instead, read a novel on Friday night. If you make it through the book, reward yourself with a cocktail..... er, a night out... aww, fuck the book; it's the weekend.

Scorpio

Oct 23 – Nov 21

You are a free spirit who loves having a good time. Do something creative like base jumping, or go hiking to a campsite that has been abandoned for years. Should you do this, my advice is that if you see anyone in a hockey mask, run.

Sagittarius

Nov 22 – Dec 21

Don't worry too much about the recurring stabbing pain in your eye whenever you drink coffee. But it's important to be proactive this month. Before you take a drink, remove the spoon from the cup.

Capricorn

Dec 22 – Jan 19

Rome was not built in a day. Nor is your love life. Is a bit of slap and tickle so important that you need to put a paper sack over your head in case his falls off??
